

# Increase innovation and research within Security Organisations

everis would like to invite you to the training event on Innovation for Security Organizations

When: 26th February 2014

Where : everis Building Madrid, Avda. Manoteras, 52. (Access to reception B)

everis direction:

One of the main targets of INSEC project is to supply security end-users with knowledge and practical skills in the management of innovation and to improve security end-user' collaboration (innovative) practices by training.

It will be a pleasure to have you at the event, being a great opportunity to analyse new business opportunities and meet new potential partners.

During this training session we will work in the following topics:

- Development of innovation plan
- Project management in Horizon 2020
- Development of an IPR strategy

Please send you confirmation before 19th February 2014 to **Laura Rodriguez** ([laura.rodriiguez.carlos-roca@everis.com](mailto:laura.rodriiguez.carlos-roca@everis.com)).  
For further information contact the same address

Partners: a consortium of consulting companies and security end-users
